On another incedent we were at my house it was raining and we got pretty my mom mad us take a shower "together"! .the whole time we were in there I tried to avoid eye contact. Hiccup noticed I wasn't washing my self and said you need wash up or your mom will get mad. He litterly stood on his toes and extended his arms and started washing my hair. It was so cute I subconsciously pulled his body against mine. When I learnt what ive done I said hehe there now you can reach better. He just gave me one of his signature smiles.

2. new one-shot

me and hiccup wher at school when it happened. Our teacher was a signing partners. We had to take care of an egg. AN EGG FOR CRYING OUT LOUD.

He had us pick a number one from 1-32 or pick someone of the opposite gender. Me being me didn't care and picked a random number. "7" such a simple one. but by coincidence hiccup had it.

hics p. .v

hey hiccup wanna switch numbers my friend repunzel said. igave her a questioning look (-_-).ooook why. what just a girl switch numbers without being ok I say "yesh".

OKAY EVERYONE PICK SOMEONE OF THE OPPOSITE GENDER OR PICK A #.

JACK #7 I look at my paper with wide eyes. I shyly stand up and walk over to him. merida and repunzel giggling in the background.

jack's pov

I couldn't believe it. I swear he couldn't be cuter. I found my self staring I quickly snapped out of it. but how could I not. with those deep forest green eyes,short arburn hair,cute little butten up shirt, and finally those cute little pink lips that drive me mad.

This is going to be fun
